

KEY PERSONNEL

MICHAEL WICKERSHEIMER

Interior Designer, Integrated Design Group

EDUCATION

Fashion Institute of Technology, New York, NY, MA in Sustainable Interior Environments

Fashion Institute of Technology, New York, NY, AAS in Interior Design

Carleton College, Northfield, MN, BA in Sociology and Anthropology

Mr. Wickersheimer combines his experience in all phases of interior design for Healthcare, Institutional and Commercial Interior projects with his ongoing research in sustainable design. Major assignments include clients from Columbia University, New York Presbyterian Hospital and New York University medical centers. His responsibilities entail developing design concepts and interior finish schemes, selecting appropriate furniture and furnishings, and presenting complete interior finish packages. Mr. Wickersheimer also consults with project architects to assemble furniture specifications, create schedules and develop finish and furniture plans.
